Northeastern Catholic District School Board
ACKNOWLEDGEMENT OF ADMISSION EXPECTATIONS FOR SECONDARY STUDENTS

Context: The applicant must understand that the school, by its very nature, is Christ centered, that all programs are taught in the context of the Gospel values and the teachings of the Catholic Church, and that Catholicity permeates the entire curriculum and climate and it is not confined only to Religious Education classes. The Board emphasizes that the transmission of the school's Catholic culture is integrated into everything the school does, and therefore expects that students will participate in all curriculum areas and all prayer/liturgical activities.
