DEFINITIONS

Progressive Discipline

An approach that makes use of a continuum of prevention programs, preventative actions, interventions, supports and consequences building upon strategies that promote positive behaviours.

PROCEDURES

1.0 GENERAL PRINCIPLES

- 1.1 Pursuant to the *Education Act*, principals are required to maintain proper order and discipline in schools. Students are responsible to the principal for their conduct and are required to accept such discipline as would be exercised by a reasonable, kind, firm and judicious parent.
- 1.2 A principal may delegate some disciplinary responsibilities to a vice-principal and/or teacher of the school in accordance with the *Education Act*, Ministry of Education policies and Board procedures. In such circumstances, the delegation of authority and the authority delegated will be clearly identified in Board procedures, as will the supports available to individuals in receipt of the delegation of authority.
- 1.3 To meet the goal of creating a safe, caring, and accepting school environment, the Northeastern Catholic District School Board supports the use of positive practices as well as consequences for inappropriate behaviour, including progressive discipline, which includes suspension and expulsion where necessary.
- 1.4 The Board considers homophobia, gender based violence, and harassment on the basis of sex, gender identity, sexual orientation, race, colour, ethnicity, culture, citizenship, ancestry, origin, religion, creed, family status, socio-economic status, disability and/or any other immutable characteristic or ground protected by the Human Rights Code, as well as inappropriate sexual behaviour, unacceptable. Further, the Board supports the use of positive practices to prevent such behaviour and authorizes principals, or their delegates, to impose consequences in appropriate circumstances, up to and including a referral to the Discipline Committee of the Board for expulsion from all schools.
- 1.5 The Board does not support discipline measures that are solely punitive or the use of exclusion as a disciplinary measure. Exclusion pursuant to section 265(1) (m) of the *Education Act* is not acceptable for discipline purposes or as an alternative to discipline, and may only be imposed in accordance with the *Education Act* and Board procedures, and must be consistent with the Human Rights Code.
- 1.6 Schools are encouraged to implement proactive positive practices and corrective supportive practices when necessary. However, before applying disciplinary measures, the principal/designate and Discipline Committee of the Board shall consider the discriminatory impacts of disciplinary decisions on pupils protected by the Human Rights Code, including but not limited to race and disability, and whether or not accommodation is required.

In determining the length of suspension, the principal shall take into account any mitigating or other factors.
- i) Suspensions of up to five (5) days duration are the mandate of the school principal.
 - ii) Suspensions over five (5) days must be discussed with and approved by the Superintendent of Education before the student is suspended.

- i) Whether the behaviour causing the incident was a manifestation of a disability identified in the student's IEP;
- ii) Whether appropriate accommodation has been provided; and
- iii) Whether suspension is likely to aggravate or worsen the student's behaviour or conduct.

 - ii) Consult with the Superintendent of Education;
 - iii) Notify the police for those infractions that require such notice, as described in the *Ontario North East Region Police and School Board Protocol*;
 - iv) Conduct an investigation within 5 school days of the incident to determine whether or not to suspend a student in Kindergarten to Grade 3, or whether or not to recommend expulsion for a student in grades 4-12. Mitigating factors described in section 3.0 must be considered in this process;
 - v) Maintain documentation of the investigation process and any information gathered throughout the investigation.
