POLICY STATEMENT

The Northeastern Catholic District School Board (NCDSB) recognizes that there are collective agreements in effect and legislation governing labour which stipulates that employees have the right to take leaves of absence under specific circumstances.

Further, the Board promotes the idea of professional and personal development for its staff; and the educational process may benefit directly or indirectly, on a short-term basis, from experiences acquired during a long-term leave of absence without pay.

The Board recognizes it is responsible for ensuring that competent personnel are assigned to service its school clientele.

The Board also recognizes that its first responsibility is the education of the students within its jurisdiction.
