

Separate School Assessment Lease Form

Provincial legislation states that only Roman Catholics have the right to direct their taxes to the “separate” school system. If either of the joint owners/tenants of a property is non-Roman Catholic, the property is automatically assessed “public”. This applies even if the non-Roman Catholic requests to be a “separate” school supporter.

In order for the school support to be directed “separate”, a “Separate School Assessment Lease” must be executed. This legal arrangement **does not affect the ownership of the property** in any way. It is used for school support purposes only.

I, (Non-Catholic Lessor) _____, hereby agree to and with (Catholic Lessor) _____, to lease the premises situated at _____, in the municipality of _____, in the Region of Northeastern Ontario, It is also agreed that this lease may be terminated upon thirty days notice given in writing by either party.

THE PARTIES further agree that the intent in granting this lease is to allow the subject property to be assessed on the basis of being a “Separate School Supporter”.

Dated in _____, Ontario, this _____ day of _____, 20____.
