

# EQAO Math Night for Parents and Guardians

$$\begin{array}{r} 9 \\ +5 \\ \hline \end{array}$$

Join us for a free live webinar where EQAO staff will discuss math questions that Ontario students encounter when they participate in Ontario's large-scale assessments. These assessments are taken by all Ontario students in **Grades 3, 6 and 9**. During the webinar, EQAO staff will show how these math questions help assess the skills students are learning in their math classes. Staff will also share valuable insights from the past three years of assessment results, which can help parents and guardians support their children's math learning.
