Safe Holiday Shopping During COVID-19

During the holiday shopping season, it's important that we work together to reduce the spread of COVID-19 by following these shopping tips:

- Stay home if you are sick
- Consider online shopping or use curbside pickup or delivery
- Wear a facial covering
- Avoid touching your face
- Stay 2 metre (6 feet) away from others
- Follow store signs
- Shop alone
- Have a detailed list or plan
- Buy only what you need
- Avoid touching products
- Be patient
- Pay with a card if possible
- Use hand sanitizer
- Avoid crowds and shop at low peak times
- Support small local businesses (use their online store if possible)
- Purchase e-gift cards
- Be kind to others
