### **End of School Year Message**

Dear Friends in Catholic Education,

As another school year comes to an end, I would like to take this opportunity to acknowledge the dedication and ongoing efforts of our students and staff at the Northeastern Catholic District School Board. Over these past ten months, we have achieved many great things together. We have worked to solve important problems; we have been reflective and creative thinkers; we have made many efforts to contribute to our communities in meaningful ways; we have grown in our understanding of how to be responsible citizens; and we have celebrated our Catholic faith through word, prayer, and action. Each day provided us with the opportunity to learn more about ourselves, each other, and the world in which we live. We have been living examples of how Catholic Education makes the difference.

On behalf of the Board of Trustees and the entire NCDSB community, I extend our sincere best wishes for an enjoyable and restful summer vacation. We look forward to seeing each other again on the first day of school, September 5, 2018.

Sincerely,

Tricia Stefanic Weltz  
Director of Education
