

Home of the **CARDINALS!**

Commissioning Ceremony

The staff and students were blessed to have Father John lead our school liturgy and commissioning ceremony. During the liturgy, the staff and students were reminded that each person is called to serve through acts of kindness and in a spirit of cooperation and generosity. We were reminded that we are called to be like Jesus to all people that we meet and in all things that we do.

Recognition Ceremony

After the commissioning ceremony, the Pope Francis community stayed in the gym to take part in the Recognition Assembly. Mr. Berthier presented certificates to the entire staff for their commitment and dedication to the school community. After the staff was given their certificates, they receive a **Cardinal** cheer from the student body!
