Dear Parents & Guardians

May 18, 2011

I would like to bring to your attention an exciting development at Holy Family. Our school is now a member of the National Network of Partnership Schools (NNPS). This is an International network of schools committed to improved student success through the active engagement of parents and other community partners. More information will be forthcoming in June, as well as next September about this project. For more information about NNPS please visit www.csos.jhu.edu/p2000/

Also, Mrs. Church and I are interested in sending home electronic copies of calendars, newsletters etc etc to you beginning ASAP. If you are interested in receiving email notifications in this regard, please return the bottom portion of this letter or call us with your name and a working email address and we can put you on the list! Please contact the school should your email address change in the future.

Lastly, just a reminder to check out the school webpage on the Board website, as we put many interesting items on there. www.ncdsb.on.ca/schools/school.php?id=3

Have a great LONG weekend!

Mr. Turner
