Dear Parents & Guardians,

September 16, 2011

At Holy Family, we care about creating a welcoming environment for our students' families. As part of our school improvement plan, we will try to increase the engagement of parents/guardians through various means throughout the year. In order to help us gauge the effectiveness of our efforts, we respectfully request your input by completing the short survey below. The survey is **anonymous**. So, should you choose to participate in the survey, you can go directly to the survey online by using the link below, or if you do not have computer access, you or your child can drop off this paper copy directly to Mrs. Church at the office. For those on my email contact list, I have sent out an invite with the direct link to the survey.
