PANTHERS!

Christmas Play!

The students from Sacred Heart School will be performing The Miracle of the Poinsettias Christmas play on Monday, December 14th. Admission to this fabulous event will be non-perishable food items or a donation to our "Feed Our Family" fund. This is one performance that you do not want to miss! Along with the performance, each class will be singing a Christmas song. They sound great!

On behalf of the school community, I would like to thank Mrs. Vachon, Mrs. Paquette and Mrs. Puckalo for their dedication and time, preparing for this wonderful event.
