Advent Mass

Staff, students and parents celebrated advent mass together at Sacred Heart of Jesus Parish. At the end of mass, 2 class Presidents, presented a gift to Father John for everything that he does for our school community. Thank you Father John!

Our Christmas Tree is Decorated!

A big thank you to the staff, students and parents who donated non-perishable food items and money to the Sacred Heart of Jesus Parish Christmas Baskets. Our school community brought in 496 food items and \$47.85. With these donations, students were provided an ornament with their name and decorated our beautiful Christmas tree!
