Dear Parent/Guardian;

During this school year, individual students have been approached and asked to stop wearing or using items that are part of the "I love boobies" campaign. However, the number of students who are beginning to wear these bracelets is starting to increase.

Please know that our school and our school board have made the decision that the "I love boobies" campaign is inappropriate in a Catholic school setting. Research completed in this regard has proved that this campaign is not associated with the Canadian Breast Cancer Society, and its commitment to research for a cure is unknown. Therefore, students are asked not to bring or wear any items from this campaign to school.

We appreciate your support in this manner and hope that you understand that the staff and students at Sacred Heart School will continue to support the Canadian Cancer Society in a more positive, spirited manner.

Should you have any further questions or concerns, please do not hesitate to contact the school.

Sincerely,

Roslyn Gauthier
Principal
