## What has been going on at Sacred Heart?

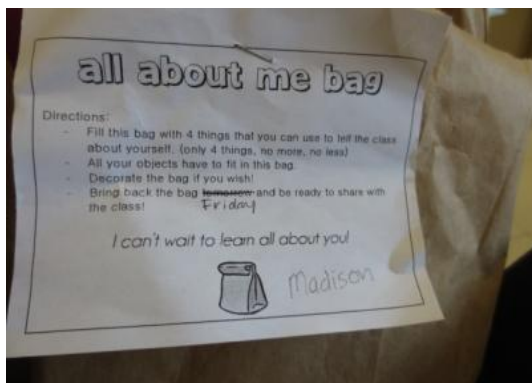

FDK class students were building structures and creating the image on the geoboard using coloured elastics

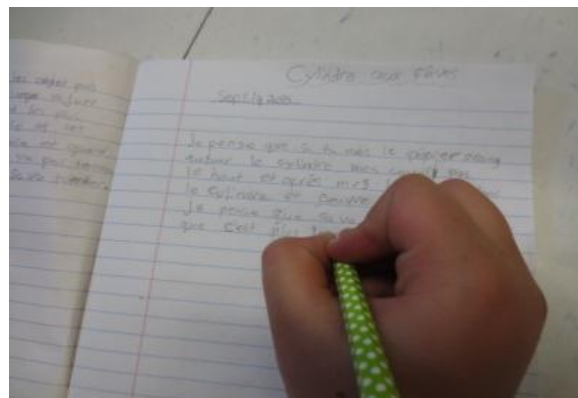

The Grade 3 students were deciding what they can use to make the tube stable.

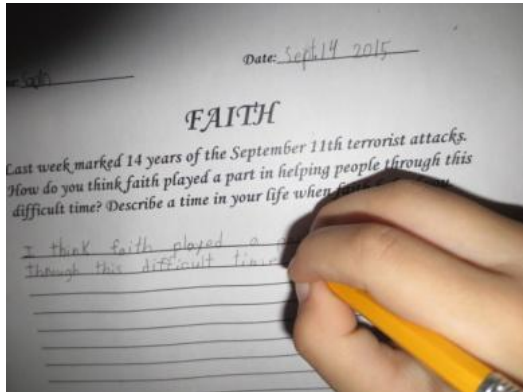

Grade 2 students share their 'all about me' bag to the class.

The Grade 4 Science class was inquiring about structures and stability.

Grade 5 students write about how faith can get them through difficult times.

Our school choir sings, "We are Called" to begin our Commissioning Ceremony.

Grade 6 students were given the blind task to make their paper airplane fly without throwing it in the air.

The Panthers participated at the Saumur and Gold Rush Cross Country Run at Hersey Lake. Great job everyone!

Ask your child, "What are you doing this week?"
