Catholic School Council will be hosting a pizza supper and silent auction on Wednesday January 25th at 5:30 p.m. at the school. The silent auction will support the **Constructing Better Readers Program** that will see each student in the school receive a book at his/her reading level each month for the rest of the school year. We are currently looking for donations for the Silent Auction and we will also accept monetary donations. The pizza supper will be free for all participants and we hope to have the entire school community join us on January 25th. We will have a craft activity for the children after supper, and for the adults a special guest speaker. Mr. Spike Pintar will join us to discuss literacy and how to have fun with reading. We are looking forward to a great night of food, fundraising, and fun. See you there!
