Message from the Principal

Dear Parents & Guardians:

With the arrival of March we begin to see the first signs of end of winter, and realize that we are closer to the end of the school year than we are to the beginning. Today is the last day of school before the March break, a time when we can all recharge our bodies and spirits, in order to come back rested and strong for the second half of the school year. Our break this year is until Tuesday March 20th when classes begin again.

March has also brought us the season of Lent which is a time

of self reflection on our sinful nature and a time to repent. It is a time for us to also reflect on the incredible gift of forgiveness that our Saviour Jesus gave us by giving up his life. In keeping with this theme, the virtue of the month is forgiveness, and will be for the Mass this month.

Also, I would like to update you on some events we will be having in the coming months. While we do not have a fixed date yet, we will be hosting a French café night and a World of Math Evening where we will invite parents and guardians to join us at school

for some food and fun events/presentations. We hope to see you there!

As usual, sports club will be held on Wednesday upon our return and Mondays is the Gr. 7/8 Art Club.

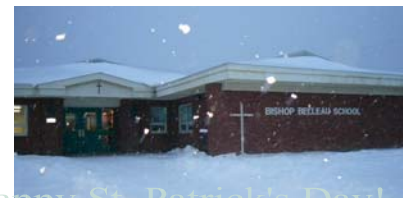

I wish everyone a very happy and safe break, and Lenten season.

"With God We Make A Difference"

Sincerely,

Heath Hough

Taria has been punctual most of the month. She has improved in her reading skills this past term. Good job, Taria.

Gwen Nakogee, Gr. 3

I chose Gwen for student of the month

because she works hard, always helps others and listens well in class.
