

## THE LITTLE SCHOOL WITH A BRIGHT FUTURE

# O'GORMAN INTERMEDIATE CATHOLIC SCHOOL

May 2012

### Spring is in the Air

The month of May is upon us, and as always, great things are happening at O'Gorman Intermediate Catholic School. We are planning a great night of food and fun on May 9. The **spaghetti supper and activity night** will take place between 5:00 and 7:00 p.m. Please feel free to eat or play at anytime between these hours.

If there is anyone you know who may have missed our parent orientation night last month that may be interested in attending our school please feel free let them know that they can stop in at anytime. We are looking forward to welcoming our new students in grade 7 but, we are certainly sad to see our grade 8's moving on to bigger and better things at OHS.

With June right around the corner, there are various field trips and activities planned including the much anticipated Toronto Trip. Please ensure that all consent forms are returned in time and that your child comes prepared with everything needed for the event.

As the warm weather falls upon us, students tend to change the type of clothing they wear. Having said that, please ensure that your son or daughter dresses appropriately at all times. Flip flops are not permitted at school because of safety concerns in the family study and shop classes. Tops must be at least 6 cm wide at the shoulder and must not be revealing in any way. Thank you for your understanding and cooperation in this manner.

### Catholic Education Week

This year the theme for Catholic Education Week is "Walking in the Light of Christ". We will be celebrating the many aspects of Catholic Education this week in our classes and in the school. Students will have the opportunity to experience a variety of activities that will enhance their understanding and make them aware of how fortunate they are to have access to Catholic Education in Ontario. A **prayer service** is planned for Monday, May 7 at 9:00 in our gym. Everyone is welcome to join us as we celebrate Catholic Education.

Congratulations to all Science Fair Winners

### Pepperette Sales

What can I say, another great fundraising venture! As you know all proceeds from this event go directly to student accounts and ultimately help pay for their Toronto trip in grade 8. Many students did extremely well and have reduced the cost of their trip significantly. Congratulations to everyone for doing a great job with fundraising once again!

### Reminders

- Spaghetti Supper, May 9
- Volleyball Tournament on May 10 at THVS
- Mass on May 15 at 1:30
- Grade 8 Graduation on June 26 at 6:30 p.m.
- Toronto Trip, June 18 to 22nd.

### Regional Science Fair

Congratulations to all the students who participated in this year's regional science fair. It was our best year ever with many students coming away with awards and bursaries. Special congratulations go out to the following students for their accomplishments and thank you Mr. Kleinhuis and Mr. Schultz for your continued dedication and commitment to our science programs.

Nathan Doyle - Electrical Award

Nicholas Ducharme & Jonathan Verbeek - Peer Choice Award

Mathew Girard - Forestry Award

*Go Knights !!*

Looking forward to seeing all of you at one of up coming events in May or June!
