Exam Study Tips

1. Study ahead of time so you feel properly prepared.
2. Find a quiet space free of distractions when studying so you can focus.
3. Create a study schedule and follow it diligently.
4. Split up blocs of time spent studying with short breaks to refresh yourself.
5. Organize your notes based on classroom reviews offered by subject teachers.
6. Get a good night’s sleep. Don’t stay up all night studying just before the exam.

Monthly Virtue: Fortitude (Courage)

Father in Heaven,
Thank you for
Creating me unique
And in Your image.
Thank you for
Giving me the ability
To Think Individually,
To stand up for what is right,
And not to give in to peer pressure.
Give me courage to chose the right
path,
Even if this means being completely
alone.
Help me to stand firm without fear
And forever let me be at peace with
myself.

Amen
