

# The All Star Report

ST. PAUL SCHOOL - NEWSLETTER

March 2010

## The Principal's Corner

It is hard to believe that we have past the 100<sup>th</sup> school day mark and we are more than half way through the school year. We still have a great deal left to do and we look forward to more great months.

Our second term report cards will go home on March 31<sup>st</sup>. We continue to encourage you to be in close contact with your child's teacher in order to allow your child to reach his/her full potential, mentally, spiritually, physically and socially.

We had a couple of great events in February with our Shrove Tuesday celebration and our Olympic Fun day. I would like to thank all of our parent volunteers who helped us with these two events.

As we move into our last 4 months, we are working very hard to improve our school culture. We are teaching our children to interact more positively with each other and with the adults who work with them. We have a games room for our Kindergartens to Grade 3's that runs 4 days a week at lunch. We also have intermural basketball for Grade 5 and 6 boys and girls at lunch. This activity will culminate in both teams taking part in a basketball tournament on March 10<sup>th</sup> at OICS. As well, we are running a computer club at lunch and dance for our Grade 4-6 girls twice a week at recess.

As always if you have any questions or concerns, please feel free to call the school.

John D' Alessandri

Please do not drop off your children before 8:30 a.m. in the morning as there is no assigned supervision until this time.

## Mcgruff.com

The following website was suggested to us by Officer Lemieux of the Timmins Police as a good one to help you monitor your children's internet use. Internet sites, especially ones that have a chat room component, are great for socializing, but they can also be used for bullying and manipulating others.
