May the Month of Mary

May is the month when Catholics traditionally focus on Mary, the Mother of Jesus. The practice dates back at least 700 years and is still observed around the world today. May is seen as the beginning of new life and the start of summer, which makes this a logical time for the celebrations of Mary, who brought life into the world.

Mother's Day : Sunday, May 9th

Mother's Day Blessing

Just as God gives to each rose
A gentle touch of dew
And gives unto each evening sky
The lovely sunset's hue

So may He give to you
From His enduring love
Great happiness and hearts' content
And blessings from above.

*Monday, May 24th
No School*

Lamontagne Fund Raisers

From the two campaigns held this year, we raised \$5 327.38 for Student Funds. We brought in Donna and Andy who performed for us in October. We are also hosting the Newfoundland Insectarium on Wednesday. A portion of the raised money will also be designated for the Awards Ceremony and end of the year excursions. The students have profited from the campaigns. Thank you for your support!

School Yard Improvement Committee

Unfortunately, we lost \$19 in our money raffle. Please support the Spaghetti Dinner and 50/50 Draw during Open House on Thursday May 6th from 5:00 to 7:00 p.m. Tickets are still available. Please call the school to reserve your seats. 3 linden trees have been ordered and will be planted soon. Our next phase involves the construction of tree ring seats around the trees. The third phase will be laying sod for a soccer field.

Breakfast Program

The Canadian Red Cross on behalf of the Ministry of Children and Youth donated \$1 336 recently to assist with the Breakfast Program until the end of the year. We are grateful for their continuing support!

Electronic Equipment

The students use and/or display of handheld electronic equipment such as but not limited to cell phones, cameras, MP3 players, iPods, CD players, Personal Video Game devices are **prohibited** on school property, at school-related events, or in any other circumstances that may have a negative impact on a member of the school community and on the school climate. If electronic devices are visible, they will be confiscated!
