From the Principal's Desk

This year at Holy Family School we have focused on building resilience within our students. One way to do so is by developing character through the virtue of fortitude. You see, the goal of this virtue is to help our students develop strength of character in times of adversity; to learn how to base their actions on defending truth and justice; to help our students face problems and obstacles; to develop our students' self-esteem to be able to overcome peer pressure; to stand up respectfully when something wrong is being done; to face obstacles with patience and determination; and, to live a life that pleases God.

Fortitude allows us to overcome our fear and remain resilient in the face of obstacles. As Catholics we look to Jesus as our model. He always did what was right, even when it cost Him his life. Practicing fortitude is challenging, but it brings deep peace that comes from knowing we have done the right thing.

Fortitude Prayer

Father in Heaven,

Thank you for creating me unique and in your image. Thank you for giving me the ability to think individually, to stand up for what is right, and not to give in to peer pressure. Give me courage to choose the right path, even if this means being completely alone. Help me to stand firm without fear and forever let me be at peace with myself.

AMEN

Cheryl Ricco
