## Virtue: Justice

Justice means that we deal fairly with others, recognizing the equality and dignity of all.

It requires that we work to insure that all people, especially the poor and the weak, have access to opportunities.

It assumes that none of us is free until all of us are.

One of the central tenants of Catholic social teaching is the dignity of the human being; we are all created in the image of God, and therein rests our inalienable dignity.

Justice is extended to people, animals, the environment; the whole universe.

## Catholic Education Week: Growing Together in Faith May 5 to May 10

Catholic schools are Catholic communities. Catholic schools are faith communities. We – parents, students, teachers, administrative and support staff – walk and grow together in the faith which we received at our Baptism. And it is the 'together' that we grow. And as we learn from nature, growth relies on sun and water and nutrition. Otherwise, it may fade away and even die. Our growth is primarily a relationship with God, who at our Baptism, called us by name. But the response of each of us to that growth is both personal and communal. We grow in our faith in the nurturing atmosphere of our Catholic community be that of our local parish, our home, or our Catholic school community.

Our school community will celebrate Catholic Education Week 2013 in ways that are appropriate to our students' age. We invite you to participate in one or other of these activities as your personal time and work schedule may permit.

There are five sub-themes for each day of Catholic Education Week:

Monday – Faith that is Rooted  
Tuesday – Faith that is Nurtured  
Wednesday – Faith that is Discerned  
Thursday – Faith that is Witnessed  
Friday – Faith that is Celebrated

We hope to see many of you during our school celebrations.
