THE PANTHERS' PRIDE

SACRED HEART SCHOOL - NEWSLETTER

June 2011

FINAL SCHOOL YEAR MASS

Thursday, June 23th will be our final Mass at Sacred Heart School for the school year. After the Mass, there will be a short awards ceremony where we will be honouring the academic

achievement of our grade six students who will be leaving us to go to O'Gorman Intermediate Catholic School in the fall. As always, you are all welcome to come and pray with us.

The staff and students of Sacred Heart School would like to wish our grade six students all the best as they leave our school and move on to grade 7.

PANTHERS HAVE TALENT

Please come and enjoy as our panthers demonstrate their talent in our "Sacred Heart Has Talent" Show Friday, June 24th. We will begin our day with a celebration of academic achievement for the students from Junior Kindergarten to grade 5. Afterwards, we will sit back and watch our students

strut their stuff. The festivities will begin shortly after 9:00 a.m.

BUSSING INFORMATION FOR 2011-2012

If you are not already aware, all bussing will be provided by a new company next year. This means that you should expect some changes to the bussing system for the 2011-2012 school year. You **cannot**

<u>assume</u> that your child's bussing will be the same as it was this year. As soon as it becomes available, you will be receiving more detailed information about the new transportation system later in June. As we have been told, the Transportation Office will be following the same format as last year,

whereby the <u>parent</u> will need to log onto the transportation website to determine the pick up and drop off times and locations for September 2011. Please keep your eye out for upcoming information about bussing.

DRESS CODE REMINDER!!

It is that time of year again where the weather is getting warmer! A friendly reminder that all shorts or skirts must be just above the knee. All tops must have a modest neckline and must cover the

midriff. Also, straps on all tops or dresses must be at least three fingers wide. Please know that these rules also apply to the final Mass and all school trips or excursions. We will be sending page 5 from our School Code of Conduct home separately for review of dress code rules.

LUNCH MONITORS NEEDED

We are looking to hire two lunch monitors for September. Should you know of anyone who would be interested in being a lunch monitor or if you are interested, we ask that you contact the school for further information.

FINAL REPORT CARD

The second term report card will be going home on the last day of school on June 24th. Should your child not be in attendance on the last day, the report card will be mailed to your home.

Since the report card is going home on the last day, there is not an opportunity for parent-teacher interviews. You are always welcome to contact the school prior to the report going home to discuss your child's progress with the classroom teacher.

The staff at Sacred Heart School would like to thank you for such a wonderful year.

Have a great summer!
