

E. Q. A. O. Testing

From May 31st to June 7th, the Grade 3 students will be taking part in the provincial assessments of Reading, Writing and Mathematics. The Education Quality and Accountability Office (EQAO) is responsible for developing the assessments which give the students the opportunity to demonstrate what they have learned up to the end of the grade 3 school year. Please keep this week free of appointments as it is very important students are present for the testing. Parents will be given the test results for their children this fall. More information regarding EQAO testing can be found at www.eqao.com.
