Tough Kidder

The students of St. Pat's will be partaking in its 2nd year of a very unique fundraising opportunity on Friday June 5th, called the "tough kiddler". It is an obstacle course for kids that will challenge their fitness level, strength, endurance and ability to work together as a team. This opportunity promotes healthy living and a sense of community within our school and town. As this is the only school-wide fundraiser that we participate in, we ask that students collect pledges. Pledge forms went home two weeks ago. If you are not interested in collecting pledges, simply return your pledge envelope. In order to be eligible for prizes, your envelope needs to be returned by NOON on Thursday June 4th.
