St. Anne - Newsletter

April 1, 2014

The calendar for April can be found with this newsletter. It outlines the activities we have planned for this month. Have a safe and restful Easter weekend. Keep in mind and be thankful that our Lord gave His life for us so that we could be saved.

Mrs. Pichette

CAMPBELLS SOUP LABELS

Please continue collecting Campbell's labels for the school.

AWESOME NEWS

Our "Essential skills classroom" is finally complete!

FOCUS ON FAITH

With Easter soon upon us, remind the children how Jesus suffered on

the cross to have our sins forgiven. Rejoice – the Lord has risen! Please review our virtue of the month – Justice - and help model it in your daily lives for the children.

The Gr. 7/8 students will be welcoming the Holy Spirit into their hearts by participating in the Sacrament of Confirmation. The first meeting was held on Monday, Mar. 31st while the 2nd and 3rd are being held on Apr. 13th and 27th respectively. The meetings are being held at Saint Anne's Church Hall at 6 pm. Confirmation will be held on Sunday, June 1st at St. Anne's church at 7 pm. Watch next month's calendar for the next meeting times.

BEFORE AND AFTER SCHOOL PROGRAM

The **Before/After school program** continues and there is always room for more

students.

Contact information remains: Rozanne Charette
705-232-6777.

For those parents already participating, if the buzzer is ineffective in getting into the school, please call the cell phone for the staff at:

705-232-0194.

April 1, 2014

CONGRATULATIONS!

The following students had excellent Science fair projects and will be given the opportunity to move forward to the Regional Science fair in Timmins: Armand Aucamp, Viviana Corkill, Gared Lepage, Kandace Brown, Austin Turner, Jorianne Reeder and Abby Sowa. Congratulations and good luck! The Regional science fair is on Friday, Apr. 4th and Saturday, Apr. 5th.

SCHOOL IMPROVEMENT PLANNING

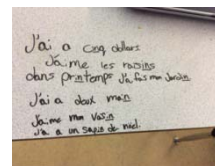

Another one of our goals for School improvement this year is “student engagement.” That is, students are being provided with challenging and motivating work. This includes both 21st Century learning with technology as noted last month, but still includes some good old fashioned paper and pencil skills. Sometimes, it is fun to do things we “shouldn’t” be doing – like writing on desks. The Gr. ¾ French immersion students love being naughty – writing in dry erase markers on their desks!

EARTH DAY

The students will be participating in various Earth Day Activities on Apr. 22nd. Please join us during our many endeavours during

“Pitch in week” which begins with Earth day - to clean up the environment and in making the world a cleaner, healthier environment for our children and those of the future.

SCHOOL COUNCIL MEETING

Thursday, April 10, 2014 at 7 pm

Everyone welcome!
