VIRTUE FOR MARCH & APRIL IS HOPE: Hope is the theological virtue by which we desire the kingdom of heaven and eternal life. We are at our happiest when we place our trust in Christ's promises and rely not only on our strength, but on the help of the grace from the Holy Spirit. Hope is God's gift to us at Baptism and unites us with the risen Christ. Hopeful people work for peace and justice on earth despite facing many obstacle. They trust that God's plan will be fulfilled, even if not in their lifetime.
