Thanksgiving food drive

We are challenging staff and students to a food drive during the week of October 5th—October 9th. The class who brings the most food per capita, will receive a prize. Thank you in advance for your generous donations.

Cereal Food Drive

September 21-25 marked Hunger Awareness Week in Timmins and communities across Canada. In order to support our break-

fast program (which runs daily from 8:30-8:45), we will be doing a bowlful of breakfast cereal drive. Between Wednesday September 30th and Wednesday October 7th, we will be collecting whole grain cereals and granola bars. We will be creating a tower in the lobby of these donations. If you are interested in giving an in-kind financial donation to be used for

“milk money” or to help support the program,

please send your donation to the office. Thank you in advance for your support of our breakfast program.

Picture Day—Lifetouch

Picture Day is scheduled for Wednesday October 7th. Please try to ensure that your child is present on that day. Picture retake day is scheduled for October 29th.

Dress for the weather

Just a quick reminder to ensure that your child is dressed for the weather. Dressing in layers is key at this time of year.

Yours in Education,
Mrs. G. Morgan

Community Service Program

At St. Patrick School, we believe in educating hearts and minds. In addition to our Religious Education and Family Life classes, our students participate in Religious life activities and celebrations that embody our Catholic Virtues Program. We encourage our staff and students to live their faith by active service. In order to actively live our faith, we have started a community service program where students will be asked to complete community service projects over the course of the school year. There was a log of community service sent home last week. Please feel free to return it to school when your child completes community service. We will be sending home an update with your child's report card. We are very excited about this program as it is a wonderful way to live our Catholic faith. If you have any questions, don't hesitate to contact the school.
