## June Virtue of Hope

**Reflection:** What do we hope for? As Christians we are asked to think about this carefully. We hope for happiness, not sadness. We hope for love, not hate. We hope for peace, not fighting. Jesus helps us reach these things first in our hearts, and then in our lives.

Jesus also challenges us to hope for others who are struggling. Just like the shepherd went searching with hope for the lost sheep and celebrated with friends when he found it, so also Jesus asks us to hope that people who are lost in sadness, or anger or are lost by being a bully, will find the love of Jesus in their hearts.

If we are sad, or angry, alone, or being a bully, Jesus even challenges us to learn to live with hope, hope that we can grow in wisdom, and learn to be better. Jesus asks us to never give up on other people and to never give up on ourselves. We can all grow in love. This is a hope Jesus offers us. Right away, as soon as we accept this hope Jesus offers, right away, we'll feel better.

**Scriptures for Hope:** "Be of good courage, and He shall strengthen your heart, all you that hope in the Lord." (Psalm 31:24)

"We have this hope as an anchor for the soul, firm and secure."  
Hebrews 6:19

**Quotes to remember:** "Hope is putting faith to work when doubting would be easier." (unknown)

When the world says, "Give up", Hope whispers, "Try it one more time". (unknown)

We should not let our fears hold us back from pursuing our hopes. (John F. Kennedy)

While there's life, there's hope. (Marcus Tullius Cicero)

## May's Virtue was Humility

Clothe yourselves with humility toward one another because God opposes the proud but shows favour to the humble and oppressed. Humble yourselves, therefore, under God's mighty hand, that He may lift you up in due time. (1 Peter 5:5-6)

### Year-end Message

This school year has gone by so quickly and now the final events of June are upon us. Many thanks to the parents and students who have made this another wonderful year at Saint Anne School. Best wishes to Mrs. Tamara Jones who has now returned to her former school in Cochrane. May she have good health and pleasure in her work there. Special congratulations and best wishes to Mme Whissell as she begins her retirement after all of her years of dedicated service to the students. May the years ahead bring as much enjoyment and excitement to her as she has brought to others. We would also like to announce the return of our principal, Mrs. Betty Pichette, and we look forward to her leadership. Most of all, we pray for protection and blessing for all of the students and their families as well as the staff over the summer. In all your comings and goings, may you remember the Lord is near you - He's just a prayer away.

Holy Lord,

I pray for the gift of hope to sustain my faith in You and in Your promises to me. Grant me patience as I wait for Your kingdom to come. Help me to keep my eyes on You, ever trusting in Your desire to bring healing and peace into my life. Thank you for the gift of hope which lifts my spirit to praise Your holiness and splendour. Through the sacrifice of Your Son, Jesus Christ, I place my hope in You.

Amen
