Monthly Virtue Prudence (Wisdom)

The language of our story speaks of **prudence** or good sense. The cardinal virtue of *prudence (good sense)* has been called "the watchful eye of love." Prudence has three steps: seeking the proper, most loving thing to do; judging what is the best choice; and confidently acting. A prudent person asks, "What is the right, most loving thing to do?" The individual considers others' advice, and looks to the Gospel and Church teaching to guide their conscience. They pray and think things through, then confidently acts in truth and love. In this way, practicing prudence unites us more closely both with God and neighbour. Prudence is visible in our Catholic schools when we reflect as Jesus' disciples and act in His love.
