Timmins Area School Bus Cancellations due to Ongoing Municipal Snow Removal Operations

Thursday, January 8, 2026

School Bus Service in the Timmins area will continue to be cancelled until routes can be confirmed as safe for travel.

Every day of learning counts and all schools remain open. Families are encouraged to make alternate arrangements for transportation until bus routes resume.

School bus routes will resume **on an individual basis** as routes are inspected and approved. Families are encouraged to **check our website daily for cancellation notices** and ensure their **email notification subscriptions are up to date** to receive accurate and timely information.

Please note that the decision to operate school bus routes will be made **day by day**, based on road safety conditions.

For notification alerts and subscriptions, visit: <https://busplannerweb.neobus.ca>.

We would like to thank families and students for their patience as we continue to work closely with the municipality.
